

DUMP PERMITS: Dump permits are for Hobart residents only and may be obtained either at the Clerk-Treasurer's Office, Hobart City Hall, or at the Public Works Facility, 1840 E. State Road 130 during regular business hours. No dump permits will be issued for commercial purposes. Proof of residency is required in the form of a valid State ID or Driver's License.

Sections from Hobart Municipal Code re: Dump Permits:

§ 50.003 USE OF CITY DISPOSAL FACILITY.

(A) All non-residents of the city are prohibited from depositing rubbish, garbage or trash of any kind within any disposal facility established by the City.

(B) Any resident of the City desiring to deposit rubbish, garbage or trash of any kind within any disposal facility established by the City shall first obtain a City Yard Disposal Permit. Such permit shall be issued by the Clerk-Treasurer for semi-annual periods from January 1st to June 30th and from July 1st to December 31st, or fraction thereof, upon application for same in writing upon the form prescribed for this purpose by the Clerk-Treasurer. The applicant must demonstrate his or her residency in the City by presenting a valid driver's license or government-issued identification instrument showing an address within the City. The ownership of real estate within the City is not sufficient to allow the issuance of a permit without actual residence within the City. Persons residing outside the corporate limits of the City, but owning a home or investment properties in the City of Hobart will not be issued a dump permit. (Ord. 2017-28, § 1; Ord. 2019-35, § 1)

(C) No person shall deposit rubbish, garbage or trash of any kind in any City disposal facility which has been carried or removed to the facility for such purpose from outside the City. (Prior Code, § 7-3) (Ord. 633, § 1) (Ord. 2012-13, § 3; Ord. 2019-35, § 1) Penalty, see [§ 50.999](#)

(D) City Yard Disposal Permits are not transferable. No person who has been issued a valid permit may allow anyone else to use it for any purpose. Failure to comply with this sub-section may result in cancellation of the permit and forfeiture of the permit fee. (Ord. 2019-35, § 1)

(E) City Yard Disposal Permits shall not be issued to any person, organization, business or contractor, whether a resident of the City or not, for disposal of rubbish, garbage or trash generated in the course of such business. Rubbish, garbage or trash from projects done by a person, contractor or business for hire must be disposed of properly through commercial means. (Ord. 2019-35, § 1)

§ 50.005 REFUSE DISPOSAL.

(A) The following items will be collected by the city as a special pickup for which a fee shall be determined and billed based on the actual cost in man-hours, equipment required and cost of disposal to the City. There will be assessed a minimum charge of \$15.00 for special pickups. Special pickups shall be made as soon as practicable after a request is received by the Department of Public Works.

- (1) Large household appliances, white goods, water heaters and large or heavy metal objects;
- (2) Furniture and mattresses;
- (3) Packing materials;
- (4) Lawn equipment;
- (5) Concrete, bricks or cement blocks;
- (6) All brush or tree limbs;
- (7) Carpeting;
- (8) Electronics: fee of \$10.00 per item;
- (9) Garbage bags or any additional containers outside of City-supplied Toter® receptacle;
- (10) Additional items as authorized by the Commissioner of Public Works.

(B) The following items will not be picked up or disposed of by the City:

- (1) Hazardous waste, including, but not limited to, oil, gasoline, diesel fuel, antifreeze,

chemicals, vehicles, railroad ties, gas canisters, propane tanks and inflammable or explosive materials;

(2) Refuse from the maintenance, remodeling, demolition, burning or destruction of buildings, regardless of whether the maintenance, remodeling, demolition, burning or destruction is performed by the owner or by a contractor;

(3) Tree trunks, tree stumps or tree roots;

(4) Grass clippings, except as part of a composting program in compliance with state statute;

(5) Debris related to construction or remodeling (interior and exterior whether performed by contractor or resident).

(C) The following items will not be collected curbside but may be brought to the City Yard for proper disposal:

(1) Paint;

(2) Electronics;

(3) Tires (nothing larger than a pickup truck tire);

(D) The Building Department shall:

(1) Notify each licensed contractor of the provisions of this section at the time the annual license is issued, including notification that refuse from contractor operations is the responsibility of the owner or contractor; and

(2) Include with each building permit issued, notification of the provisions of this section and of the responsibility of the building permit holder to dispose of refuse from operations conducted under the building permit. (Prior Code, § 7-5) (Ord. 615, § 3; Ord. 92-16, § 1; Ord. 2002-14, § 1; Ord. 2011-38, § 9; Ord. 2012-13, § 5; Ord. 2019-35, § 2) Penalty, see [§ 50.999](#)
